GlobiTech, Inc. Earns International Automotive Quality Recognition – ISO/TS16949

(Pittsburgh PA) SRI Quality System Registrar is pleased to announce that it has recently awarded an ISO/TS 16949 management system certificate to GlobiTech, Inc., located in Sherman, Texas, for epitaxial disposition services for silicon wafer substrates and polishing of 200mm wafers.

“SRI is pleased to acknowledge that GlobiTech, Inc. has demonstrated effective implementation of a management system that satisfies the tough auto standard: ISO/TS 16949”, states Christopher H. Lake, President & COO of SRI. “Their certification shows their automotive customers worldwide that GlobiTech, Inc. is committed to being recognized as a long term supplier of quality goods and services.”

ISO/TS 16949:2009 is an international management system automotive "sector-specific" technical specification based on ISO 9001:2008 and several other international automotive requirements. ISO/TS 16949 was developed by the International Automotive Task Force (IATF) and the Japan Automobile Manufacturers Association (JAMA), in conjunction with the international standards community. This technical specification, when coupled with the applicable customer-specific requirements, and IATF-specific auditing and qualification procedures, provides the basis for an IATF-recognized registrar such as SRI to certify GlobiTech, Inc..

*SRI Quality System Registrar is an internationally accredited registrar for management systems standards, such as ISO 9001, AS9100, ISO/TS 16949, ISO 13485 and environmental management systems standards such as ISO 14001. SRI also provides public training for auditing, implementing, and maintaining these standards.*
